

**Beyond
Limits**

Canada's Conference for
Diversity & Accessibility

2026 Call for Presenters

Purpose

Beyond Limits hosts an annual conference guided by person-centred values and informed by research and best practices. We come together to exchange ideas, expertise, experience, and knowledge with the goal of enhancing the quality and accessibility of services for people with support needs. For more information visit beyondlimitscanada.ca.

We welcome research, practice, and lived experience proposals for workshop sessions. Presentation topics related to clinical, educational, and social inclusion supports, technology, ethics, and advocacy are encouraged. Workshop proposals should include the key learning objectives, audience engagement strategies, and practical skills for attendees. Workshop sessions are 60 minutes long.

Theme – Designing the Future of Accessibility

Bringing together people, ideas, and experiences to explore inclusive solutions that remove barriers and expand opportunities. This theme centres collaboration, creativity, and lived experience to shape a more accessible future where everyone belongs.
